

# Lufe Pantonial

## EXPERIENCE

**Website Developer** Pixel Builder Inc - Iloilo City, Philippines  
08/2021 - 01/2026

- Served as a website developer delivering end-to-end website solutions for a wide range of clients. Built, customized, and maintained websites using modern platforms and frameworks, ensuring performance, responsiveness, and scalability. Collaborated with cross-functional teams to implement UI/UX designs, integrate third-party tools, and optimize sites for speed, SEO, and conversions.

**Backend Website Developer** Afterimage Designs - Cavite, Philippines  
08/2018 - 05/2021

- Developed, maintained, and optimised website functionality as backend developer. Collaborated with designers and frontend developers to ensure seamless performance, security, and scalability across projects.

**Magento Website Developer** Internship - PCLE Computer Worx - Tagaytay City, Philippines  
03/2017 - 05/2017

- Gained hands-on experience developing and maintaining Magento-based eCommerce websites. Assisted in implementing frontend customizations, managing product listings, and supporting website functionality improvements. Collaborated with senior developers to troubleshoot issues, optimize site performance, and ensure a smooth user experience.

## EDUCATION

**Bachelor of Science: Information Technology**  
**Cavite State University** - Silang, Cavite, 2018
